Additional Notes

In your D.E.B.T website/App or X-Node App you will see all your active license(s) and where your rewards for the mining are collected.

'If you receive an error message when setting up your X-Node app please note it may mean your X-Node App and the X-Node Dashboard and App are not connecting yet at the back end then you may have to wait up to 24 hours. If you have created a DEBT Box account prior to enrolling with iX Global and used the same email to enroll with iX Global, this creates an exception that can only be rectified manually by contacting iX Global customer services. Please contact iX Global Customer support via the 'contact us' support tab and follow the 'X-Node' Troubleshooting.'
